Dear Lionel,

Re: Cherry Tree Farm, Derby & Sycamore Farm, Burnley

Just a short note to put on record my sincere thanks to you and your team for your efforts on the above developments. I really do appreciate the time and effort that you have personally devoted to Cloverleaf in the past in helping us with the ongoing electrical design and sorting out various design problems etc. Without this it would make my job far more difficult and there would not be the level of design improvement from job to job that there currently is.

Also, please pass on my personal thanks to Dan who has worked his socks off on Derby and who I value extremely highly.

I'll let you have some indication of the likely timing and locations of future projects in the next couple of weeks so you can let me know which ones you wish to be considered for.

Yours sincerely,

Gary Douglas
Property Director.
